global education tour 2018

international
symposium

Croatia May 17-19, 2018
Sun Gardens Dubrovnik Hotel

global insights on implant therapy

a passport to overcoming complications

The BioHorizons Global Education Tour promises to shape the world of implant dentistry by bringing vibrant, cutting edge education programs to six global locations in 2018. Featuring recognized clinical experts from around the world, this popular International Symposium will make the first stop of this Global Tour at the Pearl of the Adriatic in enchanting Dubrovnik, Croatia.

We invite you to travel on this Global Tour alongside BioHorizons and help us continue to restore smiles around the world through a commitment to science, innovation and education. An exciting year awaits us!
